

ITEM: NECKTIE - MALE

MATERIAL: Natural or synthetic.

CONSTRUCTION: Plain, tight woven cloth, with interlining.

Color: Black, with a dull finish.

Design: Plain, without ornamentation, with finished ends and sides.

Length: The necktie shall be between 14" and 17-1/2" in length from the bottom of the knot to the lowermost point of the tie, plus or minus 1/2".

Width: The necktie is to be not less than 2" nor more than 3-1/2" measured at the widest point.

Knot: Hand-tied or pre-tied four-in-hand slip knot, small Windsor knot, or half-Windsor knot.

AUTHORIZATIONS/  
RESTRICTIONS: The necktie may have a bend-over metal or plastic collar clip hook and a pre-tied knot, providing a "breakaway" feature when worn.
