

ITEM: BALL POINT PEN WITH BLACK INK

CONSTRUCTION:

Pocket-Type writing instrument with a non-warping metal, wood or plastic cased barrel, capable of making sharp, skip-free legible carbon copies, containing a high visibility ink. The ink is to be resistant to smearing, transfer and fading.

The pen may be of the reusable or disposable type and will incorporate its ink supply in a non-reusable cartridge. The pen may have a retractable or non-retractable point, and will come equipped with a point cap if it is of the non-retractable type.

Authenticated by:

A handwritten signature in black ink, appearing to be "JRC", written on a light blue rectangular background.
