

ITEM: COVERALS, SPECIALIZED, ONE-PIECE, ANTI-STATIC

WORN BY SPECIALIZED MEMBERS ENGAGED IN INVESTIGATIVE/EVIDENTIARY SEARCHES

STYLE: Typical one-piece "jumpsuit," concept. Fly front, sleeve, and leg closures are to be secured with Velcro. No metal zippers, snaps, or buttons are to be a part of the suit as an effort to minimize static spark possibilities.

MATERIAL: 100% cotton twill, dark navy blue. Material is to be treated with a chemical compound equal to, or exceeding FR-2 (fire retardent) standards.

CONSTRUCTION: There are to be two hip pockets, and one reversed chest pocket (inside) of garment.

Patches: Chicago Police Department cotton (permanent press), shoulder patch is to be sewn 3/4" below left shoulder seam and centered. The City of Chicago Flag shoulder patch is to be sewn 1-1/4" below right shoulder seam and centered. (Cotton permanent press).

Sizes: Available sizing should range from 36 thru 54, short, regular and tall.
