

ITEMS:                   INSIGNIA - SHOULDER/EPAULET AND CHEVRONS (Continued)

ITEM 2:                   INSIGNIA FOR SERGEANTS (CHEVRONS)

The materials for the below listed chevron types are to be approved by the Research and Development Division, Chicago Police Department.

TYPES:                   1. Wool/felt

2. Polyester/cotton

CONSTRUCTION/  
POSITIONING:

1. Chevrons (wool/felt), three in number, royal blue stripes, superimposed over light buff (tan) stripes with light buff material showing 1/16" around the periphery of the royal blue stripes. Completed stripes are to be sewn onto a dark (brawny blue) blue felt backgrounds cloth for mounting on uniform sleeves.

These chevrons will be sewn centered on both sleeves of all outer garments (excluding shirts) 5-1/2" down from the shoulder seams with the chevron points facing up. No chevrons will be sewn on the raincoat.

2. Chevrons (polyester/cotton), three in number, royal blue stripe, outlined with 1/16" border of white thread, sewn on a #202 blue material background.

These chevrons will be sewn on both uniform shirt sleeves, centered to the top of the sleeve, with the upper point of the chevron 4-3/4" down from the shoulder.
