See 8-26-020(a)(1).

Pursuant to section 8-26-055 of the Ordinance, you are being notified that, to the extent that you meet the above conditions, you have a duty to register with the Chicago Police Department and to comply with the provisions of the Ordinance, some of which are summarized below:

- For the initial registration, you must report in person to register at the Chicago Police Department's Criminal Registration Section, located at 3510 S. Michigan Ave., Chicago, IL, within 5 days of either (i) release from prison/jail or (ii) the time sentence imposed, if the sentence does not include imprisonment.
  - If you did not register in the time set forth above because, following your discharge or release from a correctional center, you were confined to a residential treatment center, hospital or other institution, you must register within 5 days of your discharge or release from such institution.
  - If you did not reside in the City at the time when registration would otherwise be required and subsequent to that time become a resident of the City, you must register within 5 days of becoming a resident of the City.
  - If you did not register within the time required above because you did not receive notice of the duty to register, you must register within 5 days of receipt of this notice.
- After the initial registration, you must report in person at the Criminal Registration Section no later than one year after the date of your initial registration and thereafter, no later than one year after the date of each annual registration, until such time that you are no longer required to register.
- You must report in person to the Criminal Registration Section any change in information required by the Ordinance, including any change in your address, within 5 days of such change.
- You must comply with the requirements of the Ordinance for a period of 4 years after the date of your first registration.

Any person who violates the Ordinance, or the Rules and Regulations promulgated under the authority of the Ordinance, shall, upon conviction, be fined not less than \$300 nor more than \$500 or be incarcerated for a term not to exceed six months, or both.
